

Need-Based Financial Award Application

CIMBA Italy Programs

CIMBA offers a limited number of need-based grants to program participants. To be eligible for a need-based grant, a student must 1) have applied and been accepted to the CIMBA Program, 2) be enrolled in a degree-seeking program at their home university, 3) be in good academic standing, and 4) receive some form of financial aid.

You must also attach your financial aid award summary. Most students are able to access this through their home institutions on-line system (ISIS at Iowa, PeopleSoft at KU, etc.)

Note: Pell Grant recipients are also encouraged to apply for a Benjamin A. Gilman International Scholarship. More information and an application are available at www.iie.org/gilman/.
